

Checklist: Electrical Injury Management

For more information, please refer to the Burn Centre Consultation Guidelines. This checklist has been developed to aid in clinical decision making at Referring Hospitals caring for patients with burn injuries. This is not a replacement of the burn consultation and should only be used at the care team's discretion. Burn Centre should be consulted as deemed necessary.

For Burn Consultation, please call CritiCall Ontario at 1-800-668-4357
